our vision

Our aim for the upgrade is to:

- . make the facilities Kaumatua-centred,
- . increase the capacity and capability of Rauawaawa to serve the needs of our growing Kaumatua community,
- . address the feedback identified from kaumatua, funders, stakeholders, a seismic evaluation report and a facilities upgrade feasibility report,
- . celebrate the facilities up and coming 80 years of service with a fit for purpose makeover.

How much will it cost?

To fund the expansion and revitalisation project, the Rauawaawa Board of Trustees, Kotahitanga Committee and Staff have launched a \$3 million capital campaign.
